

# Jutta Motz

## **Jutta Motz ...**

... art historian PhD and archaeologist MA, worked for many years in several publishing houses in Zurich, Switzerland, where she lives since 1978. In the ninties she published a series of newly translated English crime novels with own imprint. In 1995 she started to write crime novels with female heroines. Today she is working in a small family business. Her main interest lies in solving so called white collar crimes.

## **Novels:**

Series called:

„Three Women and Capital”

„Three Women go Hunting“

„Three Women and Art“

All books Piper Publisher Munich-Zurich. The women have to deal with economic problems and work themselves through banks, real estates and art fakes in different cities like Zurich, Munich or Berlin.

**Forthcoming novel:** “Power Was Given To Them”.

The novel takes place in Berlin, London, and Oxford. Will be published spring 2008.
